Car and lift sharing

If you do drive we would like you to try and avoid being the only person in your car. If there is no-one else from your organisation travelling you can register on this useful website to see if anyone else is looking to come to this area at the same time as you.

The South East Wales Transport Alliance (SEWTA) has developed a car share database in partnership with Liftshare which is supported by the Welsh Assembly Government. To register go to **www.sewtacarshare.com**
